Parent Portal: All new families should have received an e-mail with instructions to log in to PlusPortals to view student progress/grades and other school information. If you have any questions about the Portal or did not receive your login information, please contact Mrs. Greer at fawscomputer@fatherandrewwhite.org. Please note: No scores will be posted for students in grades PK-3. Please check your child's folder for returned work with marks/teacher feedback.

Progress Reports: Mid-quarter progress reports for students in grades 4-8 will be posted on Parent PlusPortals **this Thursday, September 27th**. Please login to check your child's progress. If you need your login information resent to you, please contact Mrs. Greer at fawscomputer@fatherandrewwhite.org. The progress of students in Pre-K - grade 3 will be discussed with parents at report card conferences in November. If you have any questions, please contact your child's teacher.

Scantron Reports: Typically we share the results of our Fall Scantron Assessments during our parent teacher conferences but we understand parents would like to see this information sooner so we will be sending home the reports for all students in grades 2-8 next Tuesday, Oct. 1st. Please be on the lookout for this in your child's Tuesday folder next week.

Grandparents' Day: We enjoyed having a packed house full of grandparents for Grandparents' Day. "Grandparents are the Apples of our Eyes" was truly evident on this day. We welcomed grandparents with a special program followed by classroom visits to recognize the wonderful bond and the love they share with the children. We love our grandparents to the core! Thank you to Mrs. Leake, Mrs. Young, and all the parent volunteers who helped us have bushels of fun that day!

Get a team or just sign up and we will put you on a team. Please feel free to contact Dawn Carroll at dawn@teamcarroll.com with any questions, to sign up, or to sponsor.

Did you know that you can earn more by using SCRIP for your everyday purchases than you can by using your credit card and its rewards? See the attached flyer for a breakdown of typical credit card rewards compared to SCRIP rebates!
