

## Father Andrew White S.J., School

2012 National Blue Ribbon School  
P. O. Box 1756  
Leonardtown, Maryland 20650

November 2018

Dear Friend of Father Andrew White,

On behalf of our Father Andrew White (FAW) School family, we thank all who participated in last year's Annual Campaign. Your support helps us improve our facilities for our children, and in doing so, you show how much you value Catholic education at FAW.

Through your contributions, we were able to enhance our technological offerings including the purchase of 135 student computers, 15 teacher computers, student monitoring software, computer charging carts, and licenses. Students in grades 2-8 have enthusiastically embraced the new equipment, and teachers have incorporated the technology in all subjects.

This school year, our goal is to raise the funds needed to expand our student enrichment offerings. With funds generated from our Annual Campaign, we can enhance our children's education environment in math, science, art and physical education by purchasing the following items:

- STEM kits for the Science Lab
- A kiln for the Art room, including the installation of the necessary ventilation system
- Math and Language Arts manipulatives for primary (PK-2nd) grade classes
- Subscriptions to online educational practice platforms such as IXL for Spanish
- Upgrades to our play spaces: re-seeding the soccer field, a high net behind the soccer goal to prevent balls from going into the woods, and replace basketball hoops
- One or more water bottle filling stations

To accomplish these projects, our Annual Campaign goal for the 2018-2019 school year is \$25,000. We are asking for you to consider a tax-deductible gift of \$250 or more to the Fund. If that figure is a little challenging for your family at this time, any amount that is within your means would be sincerely appreciated. For your convenience, you may also go online to our website at [www.fatherandrewwhite.org](http://www.fatherandrewwhite.org) and click on Giving/Annual Giving Campaign/Donate.

In the meantime, we extend our heartfelt gratitude for your participation in the Annual Campaign, and, most of all, for believing in the great mission of Father Andrew White School. We are committed each and every day to seeing that our children excel with strong minds, healthy bodies and a living faith. May our God who invites us into a blessed communion through Christ be with you, all our families, our children, alumni and devoted school friends throughout the year ahead!

Sincerely yours in our Lord,

Ms. Heather Francisco  
Principal

Reverend David W. Beaubien  
Pastor/School Director
