November 2019

Dear Friend of Father Andrew White,

On behalf of our Father Andrew White (FAW) School family, we thank all who participated in last year's Annual Campaign. Your generosity helped raise over \$20,000 towards facilities improvement in support of our children, showing how much you value Catholic education at FAW.

Through your contributions, we were able to enhance our educational and enrichment offerings. Funds were used to purchase STEM kits for the Science Lab, Math and Language Arts manipulatives for primary (PK-2nd) grade classes, subscriptions to online educational practice platforms, an upgrade to our play spaces and a water bottle filling station.

This school year, our goal is to raise the funds needed to supplement our budget for major facility upgrades. Earlier this year, the air conditioning units for the 7th and 8th grade classrooms broke down. They were beyond repair, and over the summer were replaced with four ductless units. The total cost was \$26,000.

While at the moment the other older units are working, we anticipate more replacements will be needed. Before the school year started, the units that cool the Pre-K and Kindergarten classrooms and the Science Lab had to be repaired. It's important that we start budgeting for the very real possibility of replacing more units.

To accomplish our goal of replenishing the facility budget to the 2019-2020 school year, we are asking you to consider a tax-deductible gift of \$250 or more to the Annual Fund. If that figure doesn't fit your family's budget, any amount that is within your means would be sincerely appreciated. For your convenience, you may also go online to our website at www.fatherandrewwhite.org/donate.

In the meantime, we extend our heartfelt gratitude for your participation in the Annual Campaign, and, most of all, for believing in the great mission of Father Andrew White School. We are committed each and every day to seeing that our children excel with strong minds, healthy bodies and a living faith. May God's blessings be with you, all our families, our children, alumni and devoted school friends throughout the year ahead!

Sincerely yours in our Lord,

Ms. Heather Francisco
Principal

Reverend David W. Beaubien
Pastor/School Director
