Schedule for Distance Learners on Tuesday, Aug. 25th and Wednesday, Aug. 26th

Good afternoon, Distance Learning Families,

I am writing to provide you with information distance learning students will need for the first few days of school. **First, an update to the dress code for students. Distance learners must wear either the FAW polo shirt, PE T-shirt or one of the Under Armour Spirit Gear shirts.** They may wear any shorts or pants of their own choosing.

On both Tuesday and Wednesday, students should begin their day by joining the Morning Prayers Meet. See information below for the time and code.

On Tuesday, Mrs. Greer will be meeting with grades 2-8, according to the schedule below, to provide training on and an overview of some of the learning platforms students will be using. In doing this, we are aiming to familiarize students with navigating the various tools their teachers will use to connect with and engage with them as they attend class in real time beginning on Thursday, August 27th. The schedule that students will follow on Thursday and beyond will be provided by the teachers in a separate communication. Please note that on Tuesday and Wednesday, teachers will also be posting in Google classroom assignments, questions, lessons and/or activities for distance learners to complete. Mrs. Greer will be contacting you directly to provide your child(ren)'s username(s) and password(s) to get logged in to Google (Meet, Classroom, etc.) as well as Scantron. IF you do not receive an email from her by Sunday at 6pm, please contact her at fawscomputer@fatherandrewwhite.org.

On Wednesday, at the conclusion of Morning Prayers, students in PK-1st grade should remain on the Google Meet so Mrs. Greer can meet with them and help them get started with their virtual learning. Students in grades 2-8 will be taking the Math Scantron test, following the schedule below, with Mrs. Greer proctoring. Please be sure your child is well-rested and eats a good breakfast. Please review the attachment before the testing session (for

students in grades 2-8). While testing, if you experience technical difficulties, don't worry. If necessary, we can try again on another day or try using a borrowed school device. Additional information regarding the administration of the Scanton reading test will be shared during the coming week.
