2020 Brown Bag Auction: Mark your calendars for one of FAW's most exciting events! The annual Brown Bag Auction will occur in early February. In this different year, the Brown Bag Auction Committee is coming up with creative ways of displaying the themed baskets and buying raffle tickets during the week prior to the Italian Dinner. More details to come! To prepare these marvelous baskets, we need your help! Your generous donations of new items we can include in baskets or a donation of a themed basket full of fun and exciting goodies are greatly appreciated. While you are shopping, please keep the Brown Bag Auction in mind! A "regift/donation" of a Christmas gift will be happily accepted as well! ;) If you would prefer to give a monetary donation, we will gladly put it to use helping purchase one of the big-ticket items. In addition to the items needed to fill the baskets we are also looking for donations of baskets and basket plastic wrap. If you have items to donate, please send to school labelled Brown Bag Auction or it can be given directly to one of the Brown Bag Auction Co-Chairs - Shannon Dent shannonadent@gmail.com; Jessica Phillips jessica@phillips5.com, or Kristen Haley kristenhaley11@gmail.com. Handbook Highlight: "Time in school is all-important to the learning process. In the best interest of the child, parents are encouraged to schedule family vacations during times when school is not in session. Class assignments and/or homework for absence due to a vacation will NOT be given prior to the vacation.

- Any time a child misses school it is the responsibility of the student and parents to obtain and complete missed assignments within the time allotted by the teacher(s). Generally, students have one day for every day missed to complete work that is assigned while they are absent.
- Assignments given prior to the child's absence, long range projects included, are due upon the child's return or on the assigned date unless other arrangements have been made with the teacher ahead of time. If work is not made up, a zero may be recorded for missing assignments at the teacher's discretion.
- Arrangements for making up missed tests are at the convenience of the teacher/parent. If additional instruction is needed for the mastery of missed skills, outside tutorial help may be advised.
- In the event of an extended illness, individual learning plans will be developed for students."
