Click on “Log in with Google” to sign in

Please note: The Clever browser extension is needed to automatically log students in to all other accounts instantly. Anyone using a school-issued Chromebook has this installed. Currently, the browsers Clever supports are: Chrome, Firefox, and Microsoft Edge. The Clever browser extension is not required for iOS devices (iPads, iPhones, etc.).

To enable the instant, single sign-on feature, please use the links below to install the Clever browser extension on a home computer.
