Volunteer Opportunities

Lenten Food Drive

In this season of Lent, Father Andrew White's Student Council would like your help to provide food donations to the Society of St. Vincent de Paul. Your donations will support the monthly food distribution at St. Aloysius Church and make a difference in our local community. Please see the attached flyer for more details.

Water Reminder: Due to the pandemic we are currently not able to use the water fountains at school. At the same time, we highly encourage everyone to stay well hydrated. Thus, while we do keep extra water in the office for times when refills are needed, we ask that students please remember to bring water with them every day.

Please be sure to send sufficient water with your child. This may mean sending additional bottled water each day or even extras to keep in their classrooms to use as needed. For those sending in reusable water bottles, kindly keep them at a size for small hands. Huge water bottles tend to tip and spill causing a mess and possible damage to the Chromebooks and iPads. It is better to send in two smaller water bottles.

**We have FAW Tervis Tumblers for sale!
Send in cash or a check to reserve yours.**

Only 22 left!

Speaking of water bottles... why not buy some FAW Spirit Stickers to adorn yours?!

Handbook Highlight: "TECHNOLOGY AND INTERNET USAGE Father Andrew White, SJ School provides students with an opportunity to access computers and computer networks, including the internet. The goal in providing this service is to promote educational excellence in the school. Access to this technology is a privilege, not a right. Students and parents acknowledge that they have read and reviewed the terms of acceptable technology use and agree to abide by those terms.

1. Students will cultivate and manage their digital identity and reputation and demonstrate awareness of the permanence of their actions in the digital world. All Students:
 - a. Shall always represent themselves in a manner that respects the values of the Catholic Church when using electronic devices, network and the Internet and demonstrate an understanding that digital content is everlasting, even when deleted or within privacy settings;
 - b. Shall only use accounts assigned to them or authorized by the school, supporting others' positive digital identity by not accessing the accounts of others or falsely representing themselves as others;
 - c. Shall keep all accounts and password information private and secure."
