

# Attention! Attention!

## 2<sup>nd</sup> Grade Summer Work

Hello and welcome to the 2<sup>nd</sup> Grade. This year we introduced a new computer program to the students at FAW and I would like your child to continue working with that program over the summer. The program is called IXL. Your child has log in information that they have been using in 1<sup>st</sup> grade. They will use the same log in information at home. I am asking that they complete 10 lessons in 1<sup>st</sup> Grade Math and 10 in 1<sup>st</sup> Grade Language. Students must achieve at least an 85% before moving on to the next lesson. Your child may complete more than 10 lessons for each but only 10 is required. Please do not allow your child to complete any 2<sup>nd</sup> grade lessons, only 1<sup>st</sup> grade lessons. We will be using the lessons in 2<sup>nd</sup> grade next year. Anything that you complete with your child can be turned in for a special treat. If you have any trouble logging into your child's account please contact Mrs. Smith ([fawscomputer@fatherandrewwhite.org](mailto:fawscomputer@fatherandrewwhite.org)) and she can email you your child's log in information.

I am asking that every student read **"Get Ready for Second Grade Amber Brown"** by Paula Danziger (on grade level) or **"The Stories Julian Tells"** by Ann Cameron (above grade level). Please complete a diorama, or a descriptive poster with the book you select and return to school after summer break. Students are also asked to read 1 other book of their choice.

Please enjoy your summer and family time! I believe this is just as important as the above work!

I look forward to meeting my wonderful new group of second graders and I hope everyone enjoys the summer. Please contact me over the summer if you have any questions and I will get back to you as soon as I can. I will not be checking E-mail every day since it is summer break.

Mrs. Longmore
