

BOX TOPS CLASSROOM CONTEST

It is time for a classroom contest to see which class can collect the most Box Tops per student! The contest will run from **May 3rd** to **May 10th**. Please be sure to label any Box Tops sent in with **your child's grade** so they may be credited to their classroom. (The winning class will be determined by the average number of Box Tops per student to make it fair to the smaller classes.)

The teacher(s) and students of the winning classroom will get a special popsicle treat. Please remember to log onto the Box Tops website (www.boxtops4education.com) on a regular basis as they have monthly sweepstakes that give our school a chance at bonus Box Tops.

Good luck to everyone and thanks for your support of the Box Tops Program.
