

Call for Volunteers!

Great opportunity for earning parent and/or *student* volunteer hours!

We are seeking some strong volunteers to help with mulch bag delivery on Saturday, March 10. Volunteers will need to load vehicles at FAW as well as travel with the trucks and help unload at the homes of our customers. This is also a great opportunity for students to earn volunteer hours. This will be a rain or shine event. Pick up hours are from 8 am until noon and deliveries should be the same depending on amount of delivery orders received. If interested, please contact Becky Guerre at becky.guerre@gmail.com or 904-891-3644.
