Many people that have touched this beautiful 6'x4' copy of the original displayed in the Basilica of Our Lady of Guadalupe at Mexico City have experienced the Heartbeat of Our Blessed Mother and the Heartbeat of the Baby Jesus. Others have experienced warmth when touching her hands and some have smelled the scent of roses. There have also been instances of the Blessed Virgin weeping tears of oil. The beautiful 6'x4' pilgrim Image of Our Lady of Guadalupe will be exposed for veneration both before and after the mass of the Immaculate Conception and the guardian, Vivian Mestey, will give her testimony and offer prayers of healing.
