Level 1 Behaviors (These behaviors should be addressed in the classroom by the teacher using effective consequences to stop the behavior. Carding system in grades K-5 and Demerits in grades 6-8.)

*refusing to follow directions
*excessive talking in class
*arguing/talking back to teacher
*using inappropriate language (mean, disrespectful language)
*using disrespectful or rebellious language or behavior
*making inappropriate noises which disrupt the learning environment
*unsafe/rough play
*running in the building
*inappropriate displays of affection
*failure to follow classroom rules
*disruptive behavior meant to impede instruction or transitions
*uniform violations
*putting others down, language meant to be hurtful to others
*not completing class assignments or homework

Three Level 1 behavior referrals will result in Level 2 consequences.
**Level 2 Behaviors** (These behaviors are addressed by teacher with support from the principal and school director.)

*continuous Level 1 behaviors after interventions have been made

*refusing to follow school rules on a regular basis

*continued use of inappropriate language

*argumentative, aggressive, or rebellious language or behavior towards teacher

*cursing

*bullying others

*cheating to include plagiarism, copying class work or homework, or allowing another student to copy one’s work

*blatant lying

*intentionally physically hurting others

*throwing objects across the classroom

Three Level 2 behaviors will result in Level 3 consequences.
**Level 3 Behaviors** (These behaviors are addressed by principal and/or school director. Refer to school handbook for more description.)

*continuous Level 2 behaviors after interventions have been made

*abusive/extremely inappropriate language

*fighting/hitting/punching/kicking

*insubordination (complete refusal to follow school rules/instructions)

*student threats (against themselves or others) to include social media

*significant disruption

*harassment/extreme bullying of others

*property damage of others

*property damage of school

*theft

*inappropriate drawings

*inappropriate use of technology (see ADW tech policy/FAW BYOD policy)

Students who exhibit these behaviors are sent immediately to principal with behavior report in hand.
Procedure for addressing Level 1 Behaviors

1. Inform student of rule violated and give verbal warning.
2. Describe the expected behavior.
3. Give grade level appropriate consequence and reteach expectation.
4. Contact parent through e-mail, phone call, or note if necessary.

Procedure for addressing Level 2 Behaviors

1. Inform student of rule violated.
2. Complete behavior report.
3. Make verbal contact/or e-mail with parent and discuss behavior.
4. Student takes behavior report to principal.
5. If 2 Level 2 behavior referrals occur, student meets with principal and school director to discuss interventions.

Procedure for addressing Level 3 Behaviors

1. Inform student of rule violated.
2. Send student immediately to principal with behavior report.
3. Principal will notify parents immediately.
4. Appropriate consequence will be given.
5. Based on the extremity of behavior, Level 3 Behavior violations may result in expulsion. Three Level 3 Behavior violations in a school year will result in expulsion.

There will be a file cabinet in the faculty room (locked file cabinet) with files of students with any paperwork for Level 1, 2, or 3 Behavior violations. It is very important that you complete the paperwork and follow the procedures so there is documentation of behavior patterns for students.
At Father Andrew White School, our staff and students are committed to making our school environment a place of following God, being respectful and kind, and being willing and ready to learn each day. Today, your child had difficulty following these expectations. Please discuss the following concerns with your child. Thank you for your support in creating a positive learning environment for your child and for everyone in our FAW family.

Dear FAW parents and students,

Welcome back for another great school year. The staff at Father Andrew White School is committed to providing a safe and caring learning environment that focuses on our faith and respect for every child in our school. In order to ensure this, we are implementing a new school-wide behavior plan this school year. Our new school motto is below.

**Follow God**

**Always respectful and kind**

**Willing to learn**

This motto will be taught and reinforced throughout our school each day. Students will be rewarded with tickets when “caught” displaying one of the pillars of our school motto. At the end of each month, we will have drawings where students will be rewarded with prizes from our Positive Behavior Treasure Cove.

While a large majority of our students display very positive and appropriate behaviors during the school day, we recognize that some students are often in need of behavior plans and consequences to help them. Our new behavior plan consists of three levels of behavior violations and the consequences for each. This behavior plan provides paperwork and documentation so behavior patterns can be tracked and monitored. We are taking this plan very seriously to ensure all classrooms are places where safe, productive learning will occur each day. Please read over the plan and also discuss it with your child/children. It will be implemented for every student in our school, grades Pre-K through 8. This behavior policy will also be effective during our aftercare program. At the end of this packet there is a form for each student/parent to sign stating that they have read and understand our new policy. Thank you for your support in creating a positive learning environment for everyone in our FAW school family.

FAW Staff
We have read and reviewed the behavior policy of Father Andrew White School. We are committed to making FAW a place of love, respect, and learning. We will support this behavior policy to ensure our school can be the best it can be.
