

FAW News
June 10, 2023

Dear Father Andrew White Families,

What a wonderful school year we have had! The students excelled in so many activities such as LEGO Robotics, Destination Imagination, Basketball and other Athletics, Service Drives, Science and History Fair, the St. Mary's County Fair, Band Festival and Math Teams. The wonderful FAW staff provided numerous learning opportunities and we were able to engage in field trips once again. We also had many opportunities for students to grow in their faith through our School Retreat, Catholic Schools Week and Faith Rally Day. Many students received sacraments such as baptism, reconciliation, communion and confirmation. We have so much to be thankful for in our school community! Thank you for being a part of this experience through your many hours of volunteering, financial support and partnering with us in your child's education.

We will continue working hard this summer to prepare for the upcoming school year. Please find attached to this letter a powerpoint presentation that shows the uniform options that will be available through the Lands End online store. Once we receive the link from Lands End, we will forward the information to you. *RaiseRight* gift cards can be used to make any Lands End purchase. Please use the following link to purchase the cards. [Gift Card Program](#)
Remember that next year is a transition year and the current uniform can still be worn.

School office hours will be Monday-Thursday from 9:00 am - 1:00 pm.
Have a wonderful summer with your family and please enjoy the break! Just don't take a break from talking to God, thanking Him and worshipping Him weekly at Mass!

Sincerely,
Mrs. Szoch
Principal
