Harris Teeter VIC Rewards Card

Before buying your Thanksgiving Day groceries, be sure that your Harris Teeter VIC card is linked to FAW. (This needs to be relinked every year.) There is no fee to link your card and it takes less than a minute! Just stop by customer service (or ask the cashier at checkout) to add Father Andrew White School and give them the code: **5002**. This is a great way to help the school raise money! Not only can families from FAW, but also grandparents, aunts/uncles, and friends link their account, even if they are located out of state.

NOTES FROM NURSE ROSE

Okay, let's say your child is sick or they just got injured. Now what? When it comes to knowing the right course of action, it is helpful to use a decision tree. The first question when your child wakes up sick, is whether or not to keep them home that day. For specific guidelines related to this, you can visit the nurse page on the school website, consult the parent/student handbook, or call the school (I'm always happy to talk to you!). If it is the day after being sent home from school, remember children must not have had any fever, vomiting or diarrhea for 24 hours before they can return. If it has been three days or more that they have been out due to illness, they need to have a "doctor's note" upon return. Knowing this can help in your decision of whether or not to take them to the doctor. Other options for care include virtual appointments, urgent care centers and emergency rooms. Often a simple phone call can help you decide where to go. Trust your instincts in knowing how sick your child appears to be, and when in doubt, make a call. Be prepared beforehand by having answers to questions you anticipate being asked, and have your own questions prepared, as well.
