## Support FAW Destination Imagination!

We are excited to announce that two of our Destination Imagination (DI) teams from Father Andrew White School are two of the top-scoring DI teams in the state of Maryland and now have the opportunity to present their Challenge solution at the DI Global Finals in Kansas City, Missouri –an international competition where they will compete against teams from around the globe.

Please consider donating to help these teams get to the Globals competition!! Destination Imagination is an educational, academic program that has helped our students learn and practice valuable skills like creative and critical thinking, problem-solving, and teamwork through different competitive, STEAM-based (science, technology, engineering, arts, and mathematics) Challenges.

The teams are working hard to raise the \$5,500/team registration fee plus the almost \$1,000/student it will take to get them there to experience this amazing opportunity! Raising \$20K in only one month's time is daunting, but they are DItermined!!! Every gift is a blessing and we truly appreciate your support! Thank you so much for your contributions.

## Donate to our Annual Giving Campaign that directly benefits our students!

Father Andrew White, S.J. School  
LEADERSHIP + FAITH + ACADEMICS

Dear Friend of Father Andrew White School,

On behalf of the Father Andrew White (FAW) School Family, we thank everyone who generously donated to last year's Annual Giving Campaign. Your gracious contributions helped raise over \$18,000, which went toward the installation of 3M Safety Film to the windows and glass around our school building.

Since last year, our students have been hard at work! The students have been diving diligently into their classwork, learning through hands-on experiences, field trips and real-world applications. The FIRST LEGO League Robotics team worked hard to participate in the regional competition in January. Students of all ages have enjoyed our new GaGa Ball court and our newly-painted back parking lot during recess. Each day, the students have an opportunity to practice their faith through our Buddy Program, in their religion classes or around the community through service activities.

This year's 2024 Annual Giving Campaign is dedicated to updating and enhancing the Math Program for our entire student body. Historically, FAW students have scored above the national average on standardized testing in Math. We are seeing the need to update and replenish the resources used in our Math Program in order to continue challenging our students in academic excellence. Our goal is to raise the funds necessary to purchase new textbooks and the associated learning manipulatives which will benefit all students.

To accomplish our goal of raising \$25,000 for the 2023-2024 school year, we are asking you to consider a tax-deductible gift of \$250 or more to the Annual Giving Campaign. We truly hope that you can help us achieve this important upgrade to our Math Department. If that amount does not currently fit into your family's budget, any amount within your means would be sincerely appreciated. We are hoping to have all donations in by July 31, 2024.

For your convenience, there are several ways to make your donation:

- By check via the enclosed donation envelope
- Pay online by scanning the QR code at the bottom of this letter, or going to the link and following the instructions  
<https://bnfct.co/donate/FAW2024giving>

Meanwhile, we extend our most sincere gratitude for your participation in the Annual Giving Campaign and most of all, for continuing to support the great mission of Father Andrew White School. We remain committed each and every day to ensuring that children excel with strong minds, a safe learning environment, and of course, a living faith.

May God's blessings be with you, your family, our children, our alumni and the devoted school friends throughout the coming year!

Sincerely yours in Jesus Christ.

## NOTES FROM NURSE ROSE

One of the first specialists I remember learning about is a podiatrist, or someone who treats feet and their ailments. I remember an elderly neighbor needing to visit one to get his toenails trimmed, and I remember thinking, "That's kinda weird!" (I later learned he had something called diabetic neuropathy which can cause pain and numbness in the feet, thus presenting the danger that he could injure himself and not even realize it.) Nowadays, rather than going to a podiatrist for a nail trim, I know of many people that visit nail salons to get pedicures. In fact, if you're looking for something for Mother's Day, a gift certificate might not be a bad idea. Our feet really do deserve to be pampered for doing the important jobs of supporting our bodies and enabling us to be mobile. If not a pedicure, maybe a gift certificate for reflexology or a foot massage, or a really nice pair of shoes, or even some of those detox pads for the bottoms of your feet. (Of course if you want to go the cheaper route, I've heard that sleeping with a sliced onion on the bottom of your foot with a sock over it works just as well!) Lastly, for foot care, nothing beats walking barefoot to ground yourself with "Mother Earth". And for showing your mom care, nothing beats praying for her to Father God, on Mother's Day and always.
