Dear Families of Father Andrew White School,

This Sunday at Mass, the church celebrated Pentecost, the descent of the Holy Spirit and the birth of the Church. Our students have been praying to the Holy Spirit during Morning Prayer and learning about the role He has in making us holy, giving us inspirations to do good and helping us to understand Scripture. We pray to Him for guidance and wisdom.

This week we will congratulate our eighth grade students and wish them success on their next adventure in high school. We are so proud of their accomplishments in the FIRST LEGO League, MATHCOUNTS, Science Fair, Athletics, SCA, and NJHS. The students have accumulated hundreds of hours of service to others and we have observed their growth in character through their many years at Father Andrew White School. It is sad to say goodbye but we know that they have had a solid foundation in academics and in their faith through the wonderful staff at our school. We hope that they continue to rely on the Holy Spirit for all the gifts they will need as they go forward and proclaim the Good News through their example and life choices.

Please join me in congratulating our Class of 2024 and praying for our students. As St. Paul says in his letter to the Philippians, *"I am sure of this much: that He who has begun the good work in you will carry it through to completion."* Philippians 1:6

Congratulations, Graduates!

Janet Szoch
