## Introduction

Welcome to Father Andrew White, SJ School for the 2024-2025 school year! In choosing Father Andrew White, SJ School, you have demonstrated a commitment to the values and philosophy of a Catholic education.

As partners in your children's education, it is important that we work together and support one another in providing an environment for spiritual development, academic excellence, and character formation.

The purpose of the Parent/Student Handbook is to ensure that parents and students understand the rules and regulations of the school and agree to abide by them. The rules and regulations are intended to promote the development of self-discipline, responsibility, appreciation of learning, and respect for others.

The information contained in this handbook enables us to cooperate and communicate effectively and provide for the safety and security of each child. All parents, guardians, and students are expected to follow the procedures set forth in this book once the children are enrolled in Father Andrew White, SJ School. When in doubt regarding a particular policy, procedure, regulation or activity, please contact the school office to clarify the issue.

It is our hope that our partnership will always be built on mutual respect, and that parents and teachers will support one another and communicate effectively in the best interest of the children. All the Catholic values and morality lessons that are taught in school and at home must be modeled for children by the adults in their lives. Together, we can guide our students as they strive to fulfill the Father Andrew White, SJ School motto: "*Learning Today, Leading Tomorrow, Living Our Faith.*"

# Mission Statement

The mission of Father Andrew White, SJ School is to continue the ministry of Jesus Christ by providing an educational environment where the Catholic faith and gospel values are taught and practiced daily.

## Philosophy

The foundation of our philosophy is to provide an atmosphere which fosters the spiritual, intellectual, physical, aesthetic, social and emotional well-being of each child. We recognize that families are the primary educators of their child and that development of a child is a shared responsibility of the home and school. We work together to provide support and resources for one another. We believe that to become effective citizens, students must fully understand their place in the world, accept responsibility for the consequences of their actions, and embrace Gospel values so that they choose to act in a righteous manner and treat others with dignity and respect. We understand that students develop at different rates and learn in a variety of ways. We strive to help students develop social skills, accept responsibility for learning and behavior, and to strive for excellence. Problem solving, critical and analytical thinking, and application of knowledge lead to understanding, mastery and the development of lifelong, self-directed learners.

Each faculty member contributes unique gifts which enhance the family environment. We strive to provide a nurturing environment where students receive the core resources and knowledge that will accompany them throughout their lives.

## Objectives

Father Andrew White, SJ School will provide an environment in which students will:

1. Demonstrate respect for themselves, peers, teachers, and parents by exemplifying the Great Commandment, "Love of God and Neighbor."
2. Participate in liturgical worship, sacramental programs, and meaningful prayer experiences.
3. Expand and enhance their knowledge in all areas of the curriculum and apply this knowledge to their changing role in our global society.
4. Develop communication skills through an environment rich in exposure to language, literature and writing.
5. Use various learning styles and develop problem solving strategies to become independent critical thinkers and lifelong learners.
6. Develop self discipline through proper choices and acceptance of responsibility.
7. Develop a positive self-concept as they use their special abilities and talents.
8. Strive for excellence in all academic pursuits and in the formation of Christian character.

## The Catholic Nature of the School

"Parents/Guardians and students understand and acknowledge the Roman Catholic religious nature of Father Andrew White, SJ School. Parents/Guardians and students agree not to publicly repudiate the teachings and traditions of the Roman Catholic Church, and will respect and support the unique identity that Father Andrew White, SJ School derives from its Catholic faith. As the primary educators of their children, parents/guardians will not act in ways that contradict the Catholic nature of Father Andrew White, SJ School. Parents/Guardians shall cooperate fully with the school and the students shall participate in all required school programming, including instruction in the Catholic faith and attendance at Mass. As the primary educators of the students, parents/guardians agree to act in ways that promote the best interests of the church and school and will comply with the policies of the Archdiocese of Washington and Father Andrew White, SJ School."

# Our LOGO

The design is a shield which has a cross at its center, symbolizing our central school mission which is to share the gospel of Jesus Christ. It also points to our namesake, missionary Fr. Andrew White, S.J., who was a Jesuit (Society of Jesus) involved in the founding of the MD colony. The blue color of the shield reflects the blue waters of Breton Bay and the Blessed Mother. The checkered pattern of the flag of Maryland represents Fr. Andrew White's arrival on St. Clements Island, right here in St. Mary's County in 1634. Fr. Andrew White celebrated the first Catholic Mass in the original thirteen colonies on March 25, the feast day of the Annunciation to the Blessed Virgin Mary. The words "Leadership, Faith, Academics" are reflective of our school motto, "*Learning Today, Leading Tomorrow, Living Our Faith.*"

## Communication

A strong home-school partnership characterized by mutual respect, honesty, support, and communication is the key to assuring the maintenance of a quality education. Parents are encouraged to actively follow the progress of their children. The school maintains a website with information regarding policies and current activities occurring at the school.

A mandatory parent-teacher conference is scheduled for grades PK-5 at the end of the first marking period in November. Middle school parents are welcome to meet with individual members of the middle school team as needed.

- Throughout the year, conferences may be arranged by contacting the individual teachers through the teacher's email. When requesting a conference, parents are asked to state their concern and/or reason for the conference. The conference will be scheduled within one week as both teacher and parent schedules permit.
- **Teachers are willing and eager to discuss your concerns. However, they are NOT available for unscheduled conferences before school, during the day, or at dismissal.** Parents are asked to refrain from asking to speak to a teacher at the classroom or in the hallway as students are arriving or being dismissed. Please make appointments to ensure confidentiality.
- **Teachers should not be called at home.** Questions and/or concerns should be addressed through emails. Teachers will respond to an email within 48 business hours.
- All communication between parents and staff members should always be respectful in tone and wording. In-person meetings are more productive for serious matters.

If questions or problems arise during the course of the school year, parents are asked to communicate in a respectful manner with teachers and administrators.

To encourage constructive dialogue between our parents and teachers, the school asks that **the following four-step procedure be followed in addressing any concerns:**

1. Parent requests a meeting with the teacher to discuss the matter of concern. The meeting is scheduled within one week. Such a request may also be initiated by the teacher.
2. Teacher and parent agree upon a plan of action. A follow-up meeting, phone call, or email to review progress is to take place within two school weeks after the initial meeting.
3. If after the follow-up, either the parent or the teacher still have concerns regarding the plan of action, either party may request a meeting with the principal.
4. If the problem still exists after following the above steps, the school director will be notified by the principal and a meeting with all parties will be held.

## School Office

The School Office is open for business from 8:00 a.m. to 3:00 p.m. All school business should be transacted during these hours.

- All persons entering the school are to use the main entrance and report to the school office.
- Individuals are not permitted to interrupt classes with messages or deliveries. This rule ensures a safe and well-ordered educational environment.

- All visitors to the building during the school day must stop in the office to obtain a visitor's ID badge.
- The office phone is only to be used for school related matters by students, teachers, staff, and administration.
- Any parent wishing to call the school for any reason may feel free to do so. Phone call messages to teachers and/or students will be delivered by our office staff. Teacher replies will be given in a timely fashion. Teachers' home phone numbers will not be given out by office personnel.

## Advisory Board

Father Andrew White, SJ School has an advisory board that includes representatives from Our Lady's, St. Aloysius, and St. Francis Xavier parishes, a non-Catholic member of the school community, the president of the Home and School Association, and a member of the faculty. The principal and the pastors of the supporting parishes are also board members.

## Home and School Association

Father Andrew White, SJ School has a very active Home and School Association (HSA). All parents, school volunteers, and supporters are encouraged to participate. The mission of the Home and School Association is to promote education and generate funds for the operating expenses of the school. The HSA will sponsor and conduct fundraising activities to supplement the school revenues, promote the enrichment of children and youth in their home, school and community, and encourage a closer relationship between parents and teachers in the education of their children. All door-to-door sales of goods by ADW elementary students shall be prohibited for reasons of safety.

For detailed information about HSA events and activities visit the link on the school website.

## Volunteers

Our school needs and encourages volunteers to help in many and diverse ways.

Anyone who wishes to volunteer in any way that involves contact with the children (coaching, chaperoning field trips, classroom and cafeteria helpers, etc.) **must be in compliance with the ADW Child Protection policy** which includes completion of a Virtus Safe Environment Training and a fingerprinting screening. Steps to be in compliance are as follows:

1. Open and create a Virtus account at [www.Virtus.org](http://www.Virtus.org).
2. Fill out an application with the school Child Protection Coordinator.
3. Contact information is [office@fatherandrewwhite.org](mailto:office@fatherandrewwhite.org)
4. Sign up for a Virtus Safe Environment Training Session at [www.adw.org](http://www.adw.org)
5. Obtain a document for fingerprinting on the school website.

Upon completion of the training session, the policy book page acknowledgment page must be signed and returned to the school office. By law, any instance of known or suspected child abuse must be reported to civil and archdiocesan authorities.

All volunteers are asked to sign in at the office upon entering the building.

Volunteers will work under the direction of classroom teachers or specific event coordinators. We ask that volunteers realize the importance of consistency in enforcing school rules when they are working with the students. We also ask that volunteers be aware that if they need to discipline a student, no physical contact is permitted nor embarrassing or sarcastic remarks. A verbal warning should be given, and if the disruptive behavior continues, the student should be escorted to the teacher.

# ADMISSION TO FATHER ANDREW WHITE

For determining admission to Father Andrew White, SJ School, the following guidelines will be followed:

The school gives preference in admission to:

1. Students presently enrolled
2. Siblings of students currently enrolled in the school
3. Students belonging to Our Lady's, St. Aloysius, and St. Francis Xavier, Holy Angels and Sacred Heart parishes
4. Students transferring from another Catholic school (out of town)
5. Catholic students from other parishes (*with the exception of 8th grade*)
6. Non-Catholic students

Final decisions are made by the school administration. Parents will be notified when registration through the online TADS registration program is available and a non-refundable registration fee will be paid at that time. New students to the school must present copies of their birth certificate, baptismal certificate, and immunization records. All transfer students (Grades 1-8) will submit copies of current report cards, achievement tests, and disciplinary performance. Testing may be required in Reading and Math prior to grade placement. Students are admitted on a probationary basis and may be re-evaluated at any time during their first year of attendance. Parents will be notified if future enrollment is in jeopardy.

## **The following must be adhered to:**

- A Pre-Kindergarten child must be 4 years of age by September 1 of the enrollment year.
- A Kindergarten child must be 5 years of age by September 1 of the enrollment year.
- Custody papers are necessary in the case of separation, divorce or adoption. Legal documentation regarding any change in custody status during the time a child is enrolled in school must be presented to school officials.

This school abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, the school will provide the non-custodial parent with access to the academic records and to other school-related information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

The school highly discourages parents/guardians from involving the school in custody disputes. The school aims to maintain a safe, neutral, nurturing environment for its students and does not take sides in custody disputes. Parents will be billed for all legal fees, copying costs, and any other expenses incurred by the school to comply with a subpoena.

## **Class Size/Waiting Lists**

Class size is limited to 20 students for PreKindergarten and 30 students each for grades K - 8. A waiting list will be established annually and reduced as space becomes available during that particular academic year on the basis of the admission criteria. Occasionally an exception is made for upper grade classes that have grouping for both Math and Language Arts.

## **Tuition and Fees**

### **Introduction:**

At Father Andrew White, SJ School, we believe that tuition payments are an investment in your children's education and religious formation. Therefore, the School Advisory Board accepts the responsibility of recommending to the school director, pastors and principal, policies concerning the amount of tuition, the manner of payment, and the development of policy in this area of concern. Furthermore, it is the responsibility of the pastors, principal, and School Advisory Board to ensure that adequate financial resources are available for the school, offering an affordable Catholic education to as many families as possible.

## Policies and Procedures for Tuition Payment & Grants

1. To qualify for the Active Parishioner tuition rate, a family must be registered in a parish in the Archdiocese of Washington (ADW), must actively participate in the life of the Church, and support the parish by making regular contributions using the family offertory envelope or direct debit. A **Pastoral Verification Form** signed by the pastor must be **submitted annually** by each Catholic family.
2. Families who are not active parishioners of a Catholic parish and those who are non-Catholic shall make tuition payments based on the non-Catholic tuition rate.
3. **Tuition Payment Options:** Tuition may be paid in full by July 25, in two installments (by July and January 25) or in 12 installments (July-June by the 25 of each month). **Please Note: If you withdraw your child from enrollment in the school for any reason, any tuition already paid is NON- REFUNDABLE.**
4. **Tuition Agreement:** A tuition agreement must be completed annually within TADS. Families will select their payment preference and provide an electronic signature accepting the terms of the agreement.
5. **Withdrawal from School:** Due to financial obligations and agreements with teachers, the school **must be notified by August 1** if your child is not returning for the upcoming school year. If the school is not notified by this date, the first tuition payment for the year will be billed and considered due.
6. **Consequences of Late/Non-Payment Policy:** Father Andrew White, SJ School reserves the right to cancel the registration of any student(s) whose family fails to satisfactorily meet its tuition or fees obligation. Student report cards, results of standardized testing and/or transfer information will not be sent or completed until all accounts and fees are paid in full. Tuition payments delinquent for 30 days or more are subject to a late fee. Failure to pay tuition will result in dismissal from the school unless an alternative arrangement has been made.

Families with a child in 8<sup>th</sup> grade must have all tuition and any other financial obligations paid in full by May 15th in order for your child to participate in graduation ceremonies.

All families must have their tuition for the current school year paid in full by June 30<sup>th</sup>.

### Late Registrations:

1. Families registering from July 1st through the first day of school shall be expected to fulfill their tuition obligation according to the policy stated above.
2. Tuition for students registering on or after the first day of school shall be prorated over the number of school days they will be in attendance according to a formula established by the pastor, principal, and School Advisory Board.

### Late Payments:

It shall be the responsibility of each school family to keep their pastor **and** principal informed of their need to make any changes in their tuition payment preference option or adjustment in the amount of tuition expected to be paid. The school will work with families to set up alternate payment plans if necessary.

### Archdiocesan Tuition Assistance:

Financial aid from the Archdiocese of Washington is available for students in grades PreK-8 who are applying to or are currently enrolled at Father Andrew White School. All tuition assistance obtained through the Archdiocese is based on demonstrated financial need. Financial aid request is an annual process and families must demonstrate a need each year that they apply for financial assistance.

- Tuition assistance applications are available for current Father Andrew White families beginning in October of the current school year and are due in December for the following school year.

- New families must submit applications by the February deadline.
- TADS Financial Aid and Assessment manages the process on behalf of the Archdiocese of Washington Catholic schools.
- Please note that you only need to complete one form for all children in a family, whether elementary school students or high school students, even if seeking tuition assistance for children attending different schools.

**FAW Tuition Grants:**

Father Andrew White, SJ School awards tuition grants to families with multiple children enrolled in the school and those with one enrolled child who demonstrate need.

- To apply for assistance from the school, families must have already submitted an application through TADS.
- Decisions regarding assistance from the school will be made by an independent committee and families notified no later than May 31st.
- Awards will be credited to your TADS billing invoice.

Since difficult financial circumstances are often unpredictable, families should not hesitate to inform their pastor or the principal of their need whenever it may arise during the year. Circumstances will be reviewed by the school director and principal.

For the sake of your family's security and peace of mind, and for the general financial stability of our school, we encourage parents or guardians to contact their pastor or the principal as soon as possible when they are experiencing economic difficulties.

**School Records:** Release of student records requires at least five school-days notice. Records will be sent electronically. Requests for special handling will require payment by parents/guardians.

If parents are picking up children early from school, they must sign out students in the office and be picked up by 2:00 pm. If **someone other than a parent** is sent to pick up a student, they **must be on the emergency contact list** for that student. Please remember that instructional time has been added to our day to meet diocesan requirements. In order to respect class instructional time, we will not call children to the office until the first bell rings at 2:30 unless there is a family emergency.

### **Transportation:**

Free bus service is provided for all parochial school children **within** the St. Mary's County Non-Public Transportation Division. With this privilege comes the responsibility to obey bus rules and to show respect and consideration to bus drivers and to each other.

Booklets outlining bus safety and discipline regulations are distributed to each student the first week of school. The school strongly supports these safety and discipline regulations and requests that parents **READ** the booklet, **DISCUSS** it with their children, and **ENCOURAGE** respect and compliance with these policies for the general safety and well-being of all concerned. In the case of repeated student misconduct, bus privileges will be suspended.

**IF A PROBLEM ARISES ON THE BUS, PLEASE CONTACT THE BUS DRIVER FIRST. IF THE PROBLEM CONTINUES, BRING IT TO THE ATTENTION OF THE PRINCIPAL.**

All children are expected to ride to and from school on their assigned bus. **ACCORDING TO A DIRECTIVE FROM THE NON-PUBLIC TRANSPORTATION OFFICE, ANY STUDENT WISHING TO RIDE A BUS THAT HE/SHE DOES NOT NORMALLY RIDE, WHETHER IT IS TO RIDE OCCASIONALLY OR FOR ONE DAY, MUST SUBMIT A TRANSPORTATION REQUEST FORM EACH TIME TO THE BUS OFFICE, AND THE FORM MUST BE RECEIVED AT LEAST ONE DAY PRIOR TO THE STUDENT RIDING THE BUS.** These forms are available at <http://www.co.saint-marys.md.us/dpw/nonpublicschools.asp>

Inappropriate student behavior may jeopardize the safety and well being of other students on the bus. **All Bus Behavior Report (Exhibit 4) Forms** documenting notices of misconduct must be signed by the parent and returned to the school. Guidelines for Discipline include:

1st Offense: Written Warning

2nd Offense: Two-Day Suspension

3rd Offense: Five-Day Suspension

4th Offense: Ten-Day Suspension

Note: Serious misconduct could result in an immediate suspension of riding privileges.

## Traffic

To comply with safety regulations, **no vehicles** are to drive through the bus lane or be **parked in front of the school** along the sidewalk or opposite curb **during school hours (7:30-3:00)**.

Parents who are dropping off and picking up children in the car rider line must follow the designated traffic pattern.

- Cars approaching the school from Route 5 should proceed past the school and St. Aloysius church to make a left turn into the 1st entrance of the church parking lot.
- The line of traffic should pass by the front of the church and parish hall before making a right and then left to proceed behind the school.
- Once behind the school, cars should make a left U-turn and proceed back toward the parking lot.
- Make a right turn where the sidewalk parallel to the school begins, pulling forward as far as possible, and proceed until you are able to stop and students can unload in the morning and load in the afternoon.
- Cars approaching the school from the Square in town, should turn right into the church parking lot and then continue with the directions as described above.

On school days between 7:30 and 8:30am and again between 2:00 and 3:00pm, upon the advice of local police officers, all cars are to make a **right turn only** when exiting the parking lot to keep the car line moving and not block traffic on Washington Street. We appreciate your cooperation with this very important traffic safety issue.

## Absences and Tardiness

School begins at 8:00am and extends to 2:35pm. Morning prayer is essential to our mission at Father Andrew White School. Students are expected to be seated and prepared for Morning Prayer by 8:00 am. Students **arriving after 8:00 am are considered tardy** and must report to the school office for a late slip. Habitual tardiness is disruptive to the normal routines of the school day and classroom instruction. It also affects the learning of the tardy student, who misses important instructions, teaching, and class work. Parents of students who are habitually tardy will be asked to meet with the principal. When a child arrives after 8:15am, an adult must come into the office and sign the child in for the day.

**Tardiness, leaving school early and doctor's appointments during school hours will disqualify students from receiving a perfect attendance award.** Students will not be marked tardy if a school bus is late.

To be excused during school hours, a written request must come from the parent or guardian. **IT IS REQUESTED THAT MEDICAL AND DENTAL APPOINTMENTS BE SCHEDULED FOR AFTER SCHOOL HOURS. WHEN THIS IS NOT POSSIBLE, PRIOR WRITTEN NOTIFICATION IS NECESSARY.**

- Phone calls requesting early dismissal will be accepted only in extraordinary circumstances. The parent or guardian must come to the office to pick up the child at the requested time of dismissal and sign the child out for the day.
- **Parents/Guardians are requested to call the school office prior to 9:00am to report an absence.** In the interest of safety and security, the school will contact parents/guardians regarding a child's absence in the event that a call has not been received.
- In addition to the phone call, **a written note stating the dates and reason for the absence**

**must be submitted to the homeroom teacher upon the child's return.** Frequent absences and/or an excessive number of absences will be addressed with the parent by the principal.

### **Archdiocesan School Attendance Policy:**

“The following are valid reasons for excused absences from school (if properly documented upon the student’s return to school):

1. Illness of the student (after three days of illness, student must provide medical documentation indicating that he/she is able to return to school);
2. Medical or dental appointments;
3. Death in the student’s immediate family;
4. Necessity for a student to attend a judicial proceeding;
5. Lawful suspension or exclusion from school by the chief administrator;
6. Temporary closing of facilities or suspension of classes due to severe weather, official activities, holidays, malfunctioning equipment, unsafe or unsanitary conditions, or other conditions requiring closing or suspension of classes; and
7. Other absence(s) approved in advance by the chief administrator upon the written request of a parent or guardian.

Sufficient notice should be given to the school in order to provide anticipated student work that the student is expected to complete during their absence. Failure to provide sufficient notice may result in an unexcused absence.”

Any absence that does not fall into one of the above categories, or is not properly documented by the student’s parent/guardian, is an unexcused absence.

Five or more unexcused absences will warrant a conference with the chief administrator. Any student accumulating forty (40) or more unexcused absences within a full school year shall not be promoted.

Time in school is all-important to the learning process. In the best interest of the child, **parents are encouraged to schedule family vacations during times when school is not in session. Class assignments and/or homework for absence due to a vacation will NOT be given prior to the vacation.**

- Any time a child misses school it is the responsibility of the student and parents to obtain and complete missed assignments within the time allotted by the teacher(s). Students have one day for every day missed to complete work that is assigned while they are absent.
  - **Assignments given prior to the child's absence, long range projects included, are due upon the child’s return or on the assigned date** unless other arrangements have been made with the teacher ahead of time. If work is not made up, a zero may be recorded for missing assignments at the teacher's discretion.
  - Arrangements for making up missed tests are at the convenience of the teacher. If additional instruction is needed for the mastery of missed skills, outside tutorial help may be advised.
  - In the event of an extended illness, individual learning plans will be developed for students.
- When a student is absent from school for any reason, they will not be permitted to participate in any after school activities that day. A student must be present for four hours or more to be considered in attendance for afterschool activities.

## **Health Information**

### **Immunizations:**

Maryland State Law requires children in ALL grades to provide proof of immunization against Diphtheria, Pertussis (Whooping Cough), Tetanus, Polio, Measles, Mumps, and Rubella (German Measles). Every student must have an Immunization Record on file in the school office **BEFORE** the first day of school.

**NOTE:**

- As of September 1992, Maryland State Law now requires a SECOND Measles immunization once a child reaches the age of 5, usually in the form of MMR vaccine.
- As of September 2006, children in Pre-K through tenth grade must have vaccinations for chickenpox and Hepatitis B.
- As of August 2015, children entering Kindergarten must have two (2) doses of Varicella vaccine.
- As of August 2015, children entering 7<sup>th</sup> grade must have a single dose of Tdap vaccine and a single dose of Meningococcal vaccine.

Complete physical examinations are required prior to entrance into school by ALL PK and Kindergarten students, and all NEW students in 1st – 8<sup>th</sup> Grade.

**Illness:**

If a child is running a fever of 100.4 degrees or higher, is nauseated or ill at home before school starts, PLEASE DO NOT SEND THE CHILD TO SCHOOL. Sending the child to school exposes others to possible illness. **When a student will be absent from school due to an illness, a parent is required to call the school office with the nature of the illness. A note from the parent stating the reason for the absence is required when the child returns to school.**

Children will be sent home if any of the following conditions exist, so please keep your child home in the morning if he/she exhibits:

- Diarrhea or vomiting
- Severe cough
- Yellowish, watery or red eyes
- Difficult or rapid breathing
- Abnormal body temperature or fever (below 97 degrees or above 100 degrees)
- Severe headache
- Live head lice

Once parents of sick children are contacted by the school office, immediate pickup is appreciated due to the limited health care facilities at school.

For cases of strep infection, ringworm, impetigo, conjunctivitis (pink eye) and other contagious conditions, a child MUST be on antibiotics for 24 - 48 hours prior to returning to school. A doctor's note is required in order to return. A child's temperature should be within normal range for at least 24 hours before returning to school after an illness. **Children MUST be free from nausea, diarrhea and vomiting for 24 hours before returning to school.**

**Medicine:**

A Diocesan Student Medication Authorization Form, signed by BOTH a physician and parent, must accompany ANY over-the-counter medication, (including cough drops), as well as physician prescribed drugs.

- The consent form (which is available from the school office and on the school website) should be dated, the medication identified, the dosage and the time of distribution stipulated, as well as the anticipated duration of the treatment and any side-effects which may occur.
- For the safety of the children and to comply with state health regulations, **NO STUDENT IS TO HAVE IN HIS/HER POSSESSION ANY MEDICATION DURING THE SCHOOL DAY. ALL MEDICATION MUST BE KEPT IN AND DISTRIBUTED THROUGH THE OFFICE.**

**PARENTS MUST INFORM THE SCHOOL AUTHORITIES OF ANY HEALTH PROBLEMS OR ALLERGIES THEIR CHILD MIGHT HAVE. THE SCHOOL SHOULD BE NOTIFIED IF A CHILD IS ON MEDICATION OR WHEN THERE IS A CHANGE IN A CHILD'S MEDICATION.**

### Medical/Emergency Forms:

Forms are sent home the first week of school for parents to fill out with emergency phone numbers and medical information.

- **IT IS EXTREMELY IMPORTANT THAT THESE FORMS BE RETURNED PROMPTLY AND THE INFORMATION IS KEPT UP TO DATE.**
- Parents will be asked to provide contact information and dismissal directions in the event of an emergency school closing. Parents should have another contact besides themselves on the emergency form.
- If there are any changes to regular contact or emergency contact information during the school year, the school office **MUST** be notified.

### Personal Hygiene:

The health and safety of the students demands that all children be toilet trained by the age he or she is eligible to attend Pre-Kindergarten or Kindergarten. All children who attend Father Andrew White, SJ School are expected to be able to handle their own personal hygiene needs independently, including managing their clothing, toileting and clean up, and hand washing. When a child has an occasional toileting accident, staff members will contact the child's parent(s). If a student has more than three toileting accidents the principal will provide the parent verbal and written notice. From that point forward, the parent will be contacted and will be expected to come and change the child or pick the child up from school in the event of a toileting accident. Failure of a parent to change or to pick up a student with a toileting accident will result in dismissal of the student. If the number of toileting accidents documented is six or more, the student will be asked to withdraw from the school until they are fully toilet trained. Students are expected to maintain healthy hygiene. Bathing and washing one's hair several times a week is part of healthy hygiene.

### Health Related Information:

Children will be excused from active participation in physical education classes in the case of injury. A doctor's note is necessary if long term prohibitive health conditions exist.

At the discretion of faculty/staff, students who do not have sweatshirts or jackets on cold weather days may be kept inside from recess.

## **Lunch/Playground**

### Lunch:

Hot lunch is available for purchase Monday-Friday using the online ordering system, [www.orgsonline.com](http://www.orgsonline.com) , or students may bring lunch from home. Children may bring their own non-sugar drinks, but they may not bring glass bottled drinks. **Students may not bring sodas at lunch time or at dismissal. Parents dropping off fast food for their children in the lunchroom is prohibited at any time, including on a student's birthday.**

At lunchtime students are expected to:

- Enter the lunchroom quietly and conduct themselves in an orderly manner, walking at all times
- Gather all necessities (milk, straw, utensils, napkins, etc.) before sitting down
- Observe proper etiquette and be polite
- Respect other students and the staff on duty at all times - use conversational tones when speaking
- Obtain permission to leave the lunchroom for any reason
- Clean up after themselves and dispose of all trash after the teacher on duty rings the bell and calls on them to quietly line up
- Take care of cleaning tables as assigned

**Playground:** Please discuss the following rules and guidelines for playground behavior at recess time with your child. The teachers also make students aware of the playground rules throughout the school year. The same rules of safety and conduct used inside the school (see School Regulations) also apply to

the playground area. The principal reserves the right to exclude any child from the privileges of recess for inappropriate playground behavior.

- All students should obey adults on duty on the playground at all times.
- All students must be accepted and allowed to play. No exclusive games, groups, or cliques.
- No wrestling, tripping, pushing, hitting, fighting, etc. This includes pretend fighting.
- Baseballs are not permitted. Touch football and soccer are allowed provided there is no unnecessary roughness. If problems arise, those privileges may be suspended.
- Balls/Toys from home are not allowed on the playground unless approved/requested by the classroom teacher.
- No jumping from, twisting, flipping, or doubling up on the swings or other playground equipment.
- No climbing up slides. Only one person at a time down the slide.
- No throwing rocks, sticks, acorns, mulch, sand/dirt, etc.

Parents/Guardians help maintain the discipline of the school by partnering with the school and supporting the policies, staff, faculty, and administration.

## Emergencies

**The AP Notify System will be activated to contact all parents via phone call and text message in the event of any emergencies, school closings, delays, or unscheduled early dismissals.**

**Fire:** The State Fire Prevention Code and Archdiocesan insurance policy require a minimum of 10 fire drills per year. Students exit quietly to designated areas. Roll is then taken to assure that the building has been vacated.

**Crisis Management Plan:** In accordance with Archdiocesan requirements, a School Emergency Response Plan has been developed for the school and will be implemented by the faculty when necessary. Information is updated annually—or more often as needed. The parochial schools work in partnership with St. Mary's County Emergency Management to coordinate responses.

**Counseling Services:** In the event of an emergency or crisis, the Archdiocese of Washington may send a team of school counseling professionals to Father Andrew White, SJ School. One-time, initial counseling services may be rendered to students by school or archdiocesan counseling staff in the event of a crisis or emergency.

**Closings and Delayed Openings:** Father Andrew White, SJ School will follow St. Mary's County Public Schools for closings and delayed openings due to inclement weather.

- Notifications will be made through the AP Notify System via phone call and text message.
- Announcements are made on most local radio (98.3 Star FM, 97.7 WMDM and 102.9 WKIK) and area television stations (WRC-TV Channel 4, WTTG-TV Channel 5, WJLA-TV Channel 7, and WUSA-TV Channel 9) and can also be found on the St. Mary's County Public Schools website: [www.smcps.org](http://www.smcps.org).
- Hazardous weather conditions, such as excessive heat, hurricanes, snow, or ice may require schools to remain closed or to close early.
- Calls to verify closings should not be made to the school or teachers' homes.
- **In the event of a school closing or unscheduled early dismissal, school will be closed for all after-school and evening activities.**

**Delayed Openings – Please Note:** If the parochial school system is scheduled for an early dismissal and a delayed opening is announced, the early dismissal will be canceled. We will extend to a full day dismissal. All students will need to bring a bag lunch on these delayed opening days.

**Unscheduled Early Dismissals:** If an emergency or unscheduled weather-related early dismissal should occur, parents will be notified through the AP Notify System via phone call and text message when

possible as well as through local radio and television stations. Information can also be obtained by checking the school status at [www.smcps.org](http://www.smcps.org).

Once an emergency closure has been decided, buses will make their normal runs and car riders should be picked up following routine dismissal procedures.

**Emergency Information:** Parents are responsible for keeping family emergency contact information current, including changes in home, work, or mobile numbers.

## ACADEMIC POLICIES AND EXPECTATIONS

### Grading Scale

Pre-Kindergarten, Kindergarten, First, Second, and Third grade students are evaluated on age-appropriate skills and archdiocesan academic standards. Their report cards will indicate the progress they make in attaining their grade level skills using standards based report cards.

Letter grades will be awarded to students in Grades 4-8 using the following scale:

Conferences to discuss possible retention must be held at the end of the third quarter.

### Report Cards

Report cards are posted for viewing on PlusPortals at the end of each quarter for students in Grades 1-8. A printed copy of the first quarter report card will be given directly to parents of students in grades 1 - 5 at a scheduled conference in November. A printed copy will be sent home via the student in the middle school grades. A printed copy of the final report card will be mailed home in June.

Midway through each quarter, parents of students in Grades 4-8 may view Progress Reports on PlusPortals. A mid-term progress report requiring a parent signature will be distributed to students with a grade of a D or an F in any class. **Any student whose grade average is an F in any class on the mid-term report, is suspended from extracurricular activities** until the grade is brought up to a passing grade.

Pre-K and Kindergarten teachers will hold conferences with parents to discuss students' progress at the end of the first quarter. A first semester report card will be available on PlusPortals and the final report card will be mailed home in June.

### Honor Roll Criteria

Students in Grades 4 -8 are recognized for their academic achievements at the end of each quarter according to the following criteria:

- **High Honor Roll**
  - **Grades 4-5:** All A's in all academic areas (Religion, Reading, English, Spelling, Math, Science, and Social Studies) and an E or G average in specials classes.

- **Improvement Honor Roll** (for second, third, and fourth quarter marking periods) - grades in two academic subjects improve without a drop in any other academic area, with no F's.

Students assigned consequences due to Level 2 behavior violations according to the School Behavior Plan (see p. 19 for detailed information) two or more times during the quarter will not qualify for the honor roll.

## Honor Code

As a Catholic school our faith is integrated throughout everything we do. As part of our mission, we strive to educate the whole child and foster character formation through instruction in the commandments and virtues.

- One of the ongoing virtues we emphasize is honesty in all that we say, in the work we do, and in taking responsibility for our behavior.
- Honesty in our work means that we will always do our own work, whether it is class work, homework, projects, or tests. Cheating on any of these forms of work is a serious act.
- We define cheating as taking the work of someone else and presenting it as your own. This includes direct copying of homework answers from another person, taking information from an internet source or other reference and passing it on word-for-word as if you wrote it, asking for or offering to share answers on a quiz or test, or any other way in which you have not been responsible for completing your own assignments. While parental assistance can be helpful for students, parents must be careful not to do any work for a student. Completion of a student's project or work by a parent is considered as taking the work of another and presenting it as your own.
- Giving direct answers is not helping. It is cheating.
- Plagiarism is cheating and students receive instruction about what defines plagiarism and the serious consequences for plagiarizing written work.
- Consequences for cheating include, but are not limited to, students not receiving any credit for the assignment, not having the opportunity to make-up the work, parents being notified, and lunch/recess detention.
- Students will abide by the following statement when submitting both written and digital assignments: *I affirm that the work I submit is my own and that I have neither received nor given unauthorized help.*
- **Parents will support FAW in its goal of helping students to grow in moral values by encouraging academic honesty in their children.**

## Extracurricular Eligibility

Students who wish to participate in extracurricular activities (athletics, clubs, student council, etc.) must maintain an overall C average (with no F's) in academic subjects and have an S or better average in specials classes. At the principal's discretion, serious behavior violations will also render the student ineligible. Eligibility will be reviewed and evaluated each marking period. Any student whose grade average is an F in any class on the mid-term report or on the quarterly report card, is suspended from extracurricular activities until the grade is brought up to a passing grade.

## Homework

Homework is part of the learning experience. It reinforces daily class work, provides needed practice for skill development, and offers the opportunity to review and prepare for upcoming tests and quizzes.

- Homework can help children develop essential lifelong skills such as responsibility, resourcefulness, autonomy, self-reliance, perseverance, time management, self-discipline and initiative.
- Parents should provide an atmosphere free of distractions and make homework a priority in the home.
- Most teachers require homework daily. Specific guidelines are explained at the beginning of the year by individual teachers. General guidelines are 10 minutes of homework per grade level. For example: Grade 3, 30 minutes. Grade 4, 40 minutes. Grade 5, 50 minutes.
- Outside reading is required in every grade.
- Homework assignments should always be neat, complete, and **turned in on time**.

### Partial Credit for Grades 6-8

**Only partial credit will be given on assignments that are late. When assignments are one day late, a student can only receive a maximum of 90% and the grade will be determined from that point. No credit (0%) will be given on assignments that are two or more days late.**

### Questions regarding grades

**Any questions/challenges to a student grade must be addressed within two days of when the student receives notification of the grade. After two school days, the grade stands as recorded.**

## Standardized Testing

Students in grades 2 – 8 participate in the testing program of the Archdiocese of Washington.. Students will be tested in Reading and Math at the beginning of the school year, in January, and in May. This testing program will be used to determine a baseline of skill levels at the beginning of the year and focuses on measuring student growth. Students in grades 5 and 8 are tested in Science. Students in grades 3 – 8 take the archdiocesan Assessment of Religious Knowledge in the spring of each year. Parents will receive testing reports after the testing periods in August and May.

## Library/Media Center

The school library is open Monday through Friday. All students are encouraged to use the library for outside research.

The borrower is responsible for all library materials signed out in his/her name. Reimbursement must be made for lost or damaged materials.

## Field Trips

Father Andrew White School believes field trips to be an exciting and worthwhile part of a student's education. Such trips, though encouraged by the school, are considered to be privileges. The school reserves the right to exclude from these events a student whose conduct has not reflected acceptable school behavior.

Father Andrew White School will follow the St. Mary's County Public Schools concerning cancellation of field trips or limited field trips due to national security alerts or crisis situations.

The following regulations apply to field trips:

- Official school permission forms, provided by the Archdiocesan Catholic Schools Office, are required for each student. Failure to submit the proper form or altering the form in any way may result in a student not participating in the activity. Changes and/or additions invalidate the permission form. Verbal permission over the telephone will not be accepted.
- When traveling on field trips, all students are required to ride the bus to and from the destination. All students will follow general school bus rules of safety such as remaining seated at all times, no loud distractions that would affect the driver's attention to traffic, etc.
- Some field trips may return to school after regular dismissal time. Parents are asked to be on time when picking up their child from school after a field trip.

The number and selection of chaperones will be determined by the classroom teacher. Teachers plan field trips with all reasonable precautions for the safety of the children as a priority. Chaperones are needed to help ensure that safety and supervision for every child has been addressed. In order to chaperone any field trip, the adult must be in compliance with the Child Protection Policy of the Archdiocese of Washington. It is important that chaperones are aware of the following responsibilities:

- Chaperones are assigned a small group of children. The chaperone and his/her child must realize that the chaperone's attention must be shared with all the children in the group.
- Supervision must be physical and mental. Chaperones must be with their group at all times and be attentive to the students' activities. Cell phones should be used only if an emergency arises.
- The group must stay together. No one may go to a restroom, snack bar, exhibit, souvenir shop, etc., alone.
- School rules apply to all students on field trips. Therefore, students should be respectful, good listeners, follow directions, be considerate of one another, and follow safety rules. Chaperones are expected to enforce our school rules.
- If it is necessary to discipline a child, no physical contact is permitted, nor embarrassing or sarcastic remarks. A verbal warning should be given to a student for any disruptive behavior and if the problem continues, the student should be escorted to the teacher.
- Due to the attention required by a group, younger siblings may not accompany a chaperone.
  - Chaperoning a field trip does NOT qualify for volunteer hours for the service scholarship.

## EXPECTATIONS FOR STUDENT BEHAVIOR

### School Regulations

Our school regulations are based on Christian principles and the concepts of common courtesy, respect and personal responsibility. The following are school rules which will be the basic criteria for behavior expected of students at Father Andrew White, SJ School:

Insolence or disrespect to any adult or peer, unwelcome physical contact, roughness, and fighting will not be tolerated and will result in disciplinary action which may include suspension and/or expulsion from school.
- In the classroom students must conduct themselves in an orderly manner and adhere to the rules established in individual classrooms. Attention must be given to the teacher and the task at hand. Calling out and disruption of the classroom environment is not acceptable.
- All class work and homework assignments are to be neat, complete, and **turned in on time**. When working in groups, conversational tones are expected.

- **Whenever a bell rings, it indicates silence, whether it is a fire alarm, a dismissal bell, a bell for prayer, announcements in the lunchroom or a bell for playground time to cease. The silence continues until students are directed otherwise.**
- Students should move silently through the hall so as not to disturb others in the building.
- For safety reasons, students must walk at all times inside the school building.
- Students are expected to show proper respect for all school equipment and property, as well as the property of others. Students and their parents will be responsible for all damage as a result of vandalism, defacing school materials and property, or improper use of school facilities.

water in a bottle with a secure lid. (No soda, sports drinks, juice, flavored water, iced tea/coffee, etc.) Refilling of bottles will occur during non-instructional times.

All of the above regulations are intended to foster an attitude of dignity and respect for classmates, teachers, and all other adults and school personnel. These regulations apply for all school sponsored activities. A student who engages in conduct, whether inside or outside the school, that is detrimental to the reputation of the school, may be disciplined by school officials. Any disciplinary action is considered confidential. **Father Andrew White, SJ School is unable to share any information about other students including consequences in regards to behavior.**

## School Behavior Plan

The Father Andrew White, SJ School Behavior Plan is based on the commitment to **Follow God, Always acting with respect and kindness, and showing that we are Willing to learn.** This plan outlines three levels of behavior violations and the consequences for each. With the committed efforts and cooperation of students, parents, and teachers, Father Andrew White, SJ School will be a safe and caring learning environment for all. 1. Please note that **there may be specific behaviors that are not listed here.** For behaviors that are not specifically listed, it is the teacher's discretion to assign Level 1 infractions and to assign Level 2 infractions in consultation with the chief administrator. The chief administrator has sole discretion with regard to a final determination in all disciplinary situations; and, the chief administrator may waive any disciplinary rule for just cause.

**Level 1 Behaviors:** These behaviors are addressed in the classroom by the teacher using effective consequences to stop the behavior. Documentation of the behavior is noted by the teachers. ## TECHNOLOGY, DEVICES & INTERNET

# Technology and Internet Usage

Archdiocesan parents, educators, and administrators work together every day to ensure the safety and security of all God’s children. The following guidelines were developed from Archdiocesan curriculum and have been adapted, with permission, from the International Society for Technology in Education. For more information regarding each school’s individual rules, please refer to your school policy. Thank you for your consideration and cooperation.

Our schools provide students with an opportunity to access computers and computer networks, including the Internet. ## **Social Media**

Father Andrew White provides many online resources for student use, and we recognize that in addition to using the Internet to access educational materials, many students also use various forms of social media. Students are expected to demonstrate the same standard of respectful behavior toward others online as they are in-person.

At Father Andrew White, we do not make a practice of reviewing our students' social media activity outside of school hours, but if something is brought to our attention that is believed to be in violation of the school's code of conduct, the school may investigate and respond with appropriate consequences up to and including expulsion. Therefore, we encourage parents to be diligent in monitoring their child's social media to ensure their personal safety and compliance with Father Andrew White's social media expectations.

## **Cell Phone Policy**

Students are not permitted to have cell phones in their possession during the school day. **If a student needs a phone for communication with parents after school, the phone must be turned off and brought to the school office as soon as the student arrives at school.** The phone will be kept in the office during the day and given to the student at dismissal. Students must keep phones **turned off until they leave the building.** This includes during the time dismissal is taking place while students are in the classroom, hallway, or the gym. Filming of others without permission is a violation of the cell phone policy. Other electronic devices that may be allowed by a bus driver for long bus rides must be turned off and kept in the child's book bag during the day. Any phones found in a student's possession or in his/her desk or book bag during school hours will be turned into the office and the parent must come into the school to

pick up the cell phone. **Students who violate the cell phone policy forfeit the privilege of bringing it to school.**

# EXPECTATIONS FOR UNIFORM

## Uniform Code

Uniforms are worn at Father Andrew White, SJ School as a symbol of unity and school pride. The school dress code is designed to promote an atmosphere that is appropriate for a school setting and intended to reduce distractions, allowing students to focus on their academic responsibilities. The wearing of uniforms is to be a cooperative effort among parents, students, and staff.

Uniforms are required and are not subject to modification. Uniforms should be clean and pressed with all buttons attached and hems intact. The plaid jumper and skirt must be from the school sponsored uniform company. Students and parents share the responsibility for proper dress and grooming.

### K-8 PE Uniforms, All Students:

- Navy blue gym shorts or sweatpants with school insignia
- Gray t-shirt or gray/navy blue sweatshirt with school insignia
- Any color athletic shoe with good support and a rubber sole **required**
- Dress shoes may not be worn for PE class
- All students must be in PE uniform to participate in class
- For safety reasons, no jewelry is to be worn on PE days

### PE Option:

Students may wear their FAW spirit gear on the day of their **regularly scheduled PE class**. The royal blue, gray, or long-sleeve shirt or hoodie (Under Armour sold by the school) with the Father Andrew White/Crusaders logo can be worn in place of the gray t-shirt or gray crew neck sweatshirt with the school insignia on it on PE days only during the winter time. No hoodies/sweatshirts are to be worn during the fall/spring uniform time. With this option, students are still required to wear the navy blue FAW shorts or sweatpants. The HSA has a School Spirit Website with designated PE items available for purchase.

### Hair:

- Students' hair length and style must not impede vision nor be a distraction from schoolwork
  - Neither coloring of the hair (i.e. dyeing, bleaching, coloring, etc.) nor extreme hairstyles (i.e. designs cut in the hair, hard parts, faux-hawks, mohawks, mullets, skin fades, spiking the hair, pompadours, rat tails, etc.) are permitted
  - Girls' hair should be clean and neatly groomed with bangs cut above the eyebrows - long hair must be pinned back so as not to fall over the eyes or face. Shaved sides are not permitted.
  - Girls' hair accessories must be minimal and not distract from the uniform
  - Girls' hair accessories (i.e. headbands, bows, etc.) MUST BE PLAIN and match a color in the school uniform.
  - Boys' hair must be cut above the eyebrows, cut above and not touch the shirt collar, and **cover no more than the top third of the ear**
  - Boys' hair may not flip up above the eyebrows, collars, or ears
  - Older boys must be clean shaven - no facial hair is permitted
- Hats are not to be worn in the building

### Jewelry & Accessories:

In keeping with the simplicity of a uniform, accessories should be minimal as follows:

- Wristwatches may be worn (those with sound capabilities should be set to silent mode)
- Bracelets, fitbits or hair ties of any kind worn on the wrist are not permitted

· **Due to the stand alone capability of some models/brands to send and receive text messages and take pictures, no smartwatches of any kind (i.e. Apple Watch, Android Watch, etc.) may be worn at any time, even if their “smart” functions can be ‘turned off’**

- Rings of any kind are not to be worn
- A plain chain necklace with a cross or religious medal is the only necklace that may be worn
- Modest, appropriate stud earrings (one in each ear) may be worn – in the interest of safety, hoops of any size nor any dangling earrings are permissible. BOYS may NOT wear earrings of any kind.
- For safety reasons, no jewelry is to be worn on PE days with the exception of stud earrings.
- No make-up is to be worn to school
- No nail polish, artificial nails, or French manicures (regardless of out-of-school commitments)
- Visible body markings such as temporary tattoos must be covered with a bandage until they have worn off or been removed
- Students may not draw tattoo-like markings on any visible parts of their bodies with pens or markers

### **Uniform Infractions**

All students are expected to follow the complete dress code. When a uniform violation occurs the first time, a verbal warning will be given. The second time, teachers will notify parents so they can help the child correct the violation. For middle school students, after a verbal warning, if the violation is not corrected, middle school students will be assigned a Level 1 Behavior infraction. Further violations of the dress code may result in the student losing part or all of recess, additional infractions for middle school students, and/or notification of the parents by the principal. Parents will be called to pick up their child when uniform violations are not corrected. Repeated uniform infractions that indicate defiance are a Level 2 Behavior, subject to Level 2 Consequences.
