Week of October 14-18, 2024 | 22850 Washington St.

Being prepared can save you a lot of time and anxiety in most areas of life. When it comes to health, preparation can include having a supply of “as needed” medications, extra water bottles, and even a change of clothes for emergencies. At school, students often come to me requesting over the counter medications such as Ibuprofen and Tylenol, which I do not ordinarily dispense. If you wish, however, you can sign an authorization form and drop off medication to keep at school in case your child needs it. This can also include cough drops, Chapstick, and lotion. All prescription medications need to be brought in with the form signed by the prescribing healthcare provider. Having extra clothes and hygiene products is actually a good idea for all of us; so you may want to have your child keep some of those items in his/her classroom or backpack, as well.

Our RaiseRight Gift Card Program has begun for the 2024-2025 school year. Remember, all Service Scholarship families will be required to order enough gift cards to accumulate \$50 worth of rebates for our school. Click here to learn more!

Our All Saints' Day Parade will be held on Thursday, October 31 at 1:30 pm. The students will dress in costumes representing saints. Parents are welcome to attend.

Please note the following amendment to our Parent Student Handbook:

School uniforms are to be worn on all Mass Days unless noted by the classroom teacher. Should a student birthday occur on a school Mass day, the student is allowed to choose an alternate day for his/her tag day. Please inform the teacher of the day that the student will be out of uniform for his/her birthday.

FAW Volunteer Opportunities:

FAW is looking for assistance with a few tasks. Volunteer hours will be given!

1. Hanging a white board in the Math Lab
2. Haul away bulky miscellaneous/furniture items
3. Anchoring the Friendship Bench deeper
4. Organize FAW Christmas decor in Church Hall

Please contact office@fatherandrewwhite.org to schedule.
