Did you know that our county has two "School Based Health Centers" that provide care for all school-aged children (regardless of which school they attend)? The centers are located behind Margaret Brent Middle School in Mechanicsville (240-434-6060) and Spring Ridge Middle School in Lexington Park (240-434-6059). They provide primary medical and acute care, accept most insurances, and plan to soon offer behavioral health care, as well.

DECEMBER 6, 2024

During school hours, children will be able to experience the joy of choosing their own presents for family, friends, and even pets. An envelope will be sent home with a list of who to buy for to ensure students have enough money budgeted for each \$3 gift.

Please return the envelope by
Tuesday, November 26th.
