### NOTES FROM NURSE ROSE

If you and your family have managed to dodge the current ailments going around, consider yourself lucky! In the news you may have heard mention of the term “quademic.” While we don’t currently have all of these at school, this term refers to the high occurrence in the community of influenza (both A and B), RSV, COVID-19, and norovirus. There are also cases of pneumonia, strep throat, and whooping cough (pertussis). As always if you or your child is diagnosed with anything, please let me know, and remain home as long as your doctor advises and until there has been no fever, nausea, or vomiting for at least 24 hours.

### RaiseRight™

Families who have accepted the service scholarship (volunteer hour discount on tuition) have until **MARCH 31, 2025** to earn \$50 in rebates through the RaiseRight program. Use gift cards for your regular day-to-day purchases to earn rebates to meet the requirement! Gift cards are available at over 750 popular brands. Getting your morning coffee, doing DIY projects or ordering take out. Conveniently raise money by doing everyday things all from your phone or tablet!

### Volunteer Opportunities:

The athletic department is in need of help with set up, clean up, and the selling of concessions during basketball games. Please see the specific sign-up information including dates and times HERE.
