NOTES FROM NURSE ROSE

Looks like we're finally getting some of that fluffy white stuff that everyone's been talking about! Along with it, come good opportunities to go outside and get fresh air and exercise (and sunshine once it comes back out) - all of which are essential for our health. Unfortunately, we're also getting some extremely cold weather, and it is vital that our students are dressed appropriately. Please make sure every day that your children leave home with a minimum of a warm coat, gloves, and a hat. Additionally, to minimize items in the lost and found, please label all articles of clothing and check to see that they return home with the same items every day.

There is still plenty of time to help FAW earn money through RaiseRight gift cards. For questions about the RaiseRight contact: faw.scrip@gmail.com.

Volunteer Opportunities:
The athletic department is in need of help with set up, clean up, and the selling of concessions during basketball games. Please see the specific sign-up information including dates and times [HERE](#).
