### NOTES FROM NURSE ROSE

Vision and Hearing screenings were conducted by the Lions Club yesterday Monday, March 17th for Pre-K and Kindergarten classes only. Another date will be scheduled later in the spring for students in other grades. Once that date has been established, you will be notified and permission forms will be sent to anyone that is interested. While these screenings do not actually provide diagnoses, they are done to detect possible vision and hearing problems, and then referrals are given if needed.

### RaiseRight™

Families who have accepted the service scholarship (volunteer hour discount on tuition) have until **MARCH 31, 2025** to earn \$50 in rebates through the RaiseRight program. Use gift cards for your regular day-to-day purchases to earn rebates to meet the requirement! Gift cards are available at over 750 popular brands. Getting your morning coffee, doing DIY projects or ordering take out. Thank you!
