### NOTES FROM NURSE ROSE

Spring is right around the corner, so hopefully winter doldrums will soon start to subside. This winter has been particularly eventful and unfortunately extra stressful for many. Even though we realize that there will always be ups and downs in life, sometimes things can feel depressing and overwhelming. That is when it is especially important to remind ourselves of all of the positive things that we have to be grateful for, and to find and cling to that one thing above all else that gives us hope. The good news is that there is always something to live for; and the best news is that Lent starts tomorrow and in forty days we will be celebrating the resurrection of our savior, Jesus Christ!

### RaiseRight™

Families who have accepted the service scholarship (volunteer hour discount on tuition) have until **MARCH 31, 2025** to earn \$50 in rebates through the RaiseRight program. Use gift cards for your regular day-to-day purchases to earn rebates to meet the requirement! Gift cards are available at over 750 popular brands. Getting your morning coffee, doing DIY projects or ordering take out. Conveniently raise money by doing everyday things all from your phone or tablet!

This quarter, some of our middle school students are operating a school store. They are learning how to take inventory, markup items for profit, and manage the ins and outs of a business. The school store will be open every Wednesday during their elective class time. Items cost anywhere from 25 cents to \$5. Please encourage your children to visit the school store! Kindly send in an envelope with money, marked with your child's name and "School Store" so the middle schoolers know who to expect this week.
