A MESSAGE FROM THE PRINCIPAL

October 6, 2026

Dear Families,

We have had such a wonderful start to our school year. Welcoming many new faces, everyone is getting acclimated to all of the things that make Father Andrew White School so special. Thank you to all who helped in coordinating Grandparents Day! It is always so good to interact with our extended families. We had many wonderful entries in the St. Mary's County fair and are so proud of all of our students and teachers who coordinate these opportunities for our children.

This year we are encouraging our students to participate in *Holy Moments*. During Wednesday Morning Prayer, we offer a prompt, based on Matthew Kelly's *Holy Moments* program. We are called to love in word and deed, and these prompts give students the opportunity to practice their faith in action! So far the students have told someone how much they mean to them, practiced honesty in difficult times, offered to pray for another person and worked on being good helpers at home by doing a chore or something without being asked! The students share their holy moment with the FAW community! Ask your student what the *Holy Moment* prompt is for the week and help them to complete the challenge! Come see our *Holy Moments* bulletin board to learn some of the wonderful things our students are doing to practice their faith!

This month we are once again collecting *Boxes of Joy* for those less fortunate. Please consider taking this opportunity to show your children how to share with families that are not as blessed as they are. *Boxes of Joy* should be returned no later than Friday, Nov. 6. Thank you for your generosity in always helping others!

Sincerely,
Janet Szoch
Principal

NOTES FROM NURSE ROSE

The main illnesses going around our school at this time are the **common cold, upper respiratory infections, and the occasional stomach bug**. With the changing of seasons we can expect these numbers to increase, so as always, please remind your children to follow proper germ etiquette.

It can sometimes be hard to gauge the severity of your child's sickness if it's "just a cold," but when deciding whether or not to send them to school, **I recommend erring on the side of caution**. For one, keeping them home allows them to get the extra rest that their bodies need.

As adults we tend to push ourselves when we're not feeling the best because it seems like the stoic thing to do; but – as some students have recently reminded me – **it is actually more responsible and considerate to take good care of ourselves and "not get anyone else sick!"** ♥

A Few Healthy Reminders

Wash hands frequently with soap and water.

Cover coughs and sneezes with a tissue or your elbow.

Avoid sharing food, drinks, or personal items.

Stay hydrated and get plenty of rest.

If your child is feeling unwell, consider keeping them home to recover and help protect others.

Thank you

for helping us keep our school community healthy, happy, and ready to learn!

— Your School Nurse ♥

Please Note!

RaiseRight™

Please don't forget about your obligation to the RaiseRight rebate requirement! Each family, not just those who have taken the Service Scholarship, must raise **at least \$100 through the RaiseRight program**. This does not mean one \$100 gift card; the purchase of gift cards must earn \$100 through card purchase rebates and online shopping rebates through the RaiseRight portal. If you don't earn \$100 through the program, you will be billed through FACTS in May.

✉ Please contact: fawraiseright@gmail.com for more information.

SERVICE SCHOLARSHIP

If you accepted the Service Scholarship (a credit of \$350 per student to be applied to your May payment), you are also required to volunteer at a major fundraiser unless you meet one of the exemptions outlined in the Service Scholarship agreement. As a reminder, Service Scholarship families acknowledged that "failure to meet the major fundraiser volunteer requirement will result in a reduction of the service scholarship of \$200; failure to meet the total of 25 volunteer hours will result in a reduction of the service scholarship of \$14 per hour not fulfilled." This calculation will be per student and the adjustment will be made to your final tuition payment of the year or billed separately if your tuition has been paid in full.
